What to expect for your party!

Waivers are required!

Every guest is required to have a signed waiver before participating at an HPA Indoor facility. If the participant is under the age of 18, the waiver must be signed by a legal parent or guardian. You may [create a profile](#) and sign the [waiver online](#) to expedite the process.

Cancellation/Rescheduling Policies:

Things change. We understand. However, by taking your reservation we exclude others from that spot - regardless of whether you host your party on that day, cancel or reschedule. Therefore, there is a \$100 cancellation/rescheduling fee for party changes less than 15 days in advance.

Pre-Party Communications!

After booking your birthday party, your Party Coordinator will contact you to review the details: number of guests, food options, birthday jersey, etc. If details change, don't hesitate to contact an HPA Center host or your Party Coordinator at any point before your party. We'll call two to three days before your celebration to review all final plans.

Day of Party!

Please have your guests arrive a few minutes early to ensure your party starts on time. We have lots of spaces for your guests to hang out until your activity and party table are available. Please understand that the party table will be available after your activity. Before that, you'll have a designated area for gifts. If a party or event is before yours, the table will be cleaned and prepared for you to use.

Party Supplies!

Outside food is allowed in our facilities, no alcohol. In addition, we will provide 1 table w/table cover. Contact your coordinator if you would like for us to provide you with white table covers, paper plates, cups, napkins and plastic utensils for additional costs.
